Beacon International Ltd Terms & Conditions of Sale – January 2015

1. Terms of Contract

These terms and conditions shall govern all sales of goods or service (the goods) by Beacon International Ltd (B.I) to any buyer (The Buyer). Purchase orders by the Buyer shall constitute offers to buy and no contract shall exist until the order has been accepted by B.I. and such contract shall be subject to B.I.'s terms and conditions herein set out. The conditions of the buyers purchase order shall not form part of the contract unless expressly agreed by B.I. in writing. The buyers purchase order must be in writing and show item number, full description of goods and quantity. All orders accepted by B.I. are only accepted under these terms and conditions and to the exclusion of any other terms and conditions.

No variation of these conditions shall be effective unless in writing and signed by or on behalf of both parties. Notwithstanding any variation these conditions shall continue to apply except in so far as they are specifically excluded in writing by B.I. The buyer acknowledges that there are no representations outside these terms and conditions, which have induced him to enter the contract.

2. Price

The price is exclusive of any VAT and any other tax, which shall be paid by the buyer.

The price of the goods shall be B.I.'s quoted price or, where no price has been quoted (or a quoted price is no longer valid) the price listed in B.I.'s published price list current at the date of the order.

A quotation given by B.I. will constitute an offer to treat only. Any order from the buyer based on the quotation shall constitute an offer to buy and no contract shall exist until accepted by B.I. as herein provided.

The time of payment of the price shall be of the essence of the contract.

3. Terms of Payment

Subject to any special terms agreed in writing between B.I. and the buyer, B.I. shall be entitled to invoice the buyer for the price of the Goods

On or at any time after delivery of the Goods.

At any time after B.I. has notified the Buyer that the Goods are ready for delivery but the Buyer has requested B.I. to delay delivery.

In any case where the Buyer is to collect or make arrangements for collection of the Goods at any time after B.I. has notified the Buyer that the Goods are ready for collection.

The due date for the payment by the Buyer, of the price of the Goods, shall be thirty days after end of month following invoice by B.I. for the goods notwithstanding that delivery may not have taken place and the title to the Goods has not passed to the Buyer.

Without prejudice to the provisions of sub-clause 3.2 B.I. will allow the Buyer the discretionary right to pay the price of the Goods by the last day of the month following the month in which B.I.'s invoice is dated (the discretionary date) until this discretionary right shall be withdrawn by B.I. giving notice to the buyer of such withdrawal. Notice shall not be given by B.I. unless the Buyer shall be in default of any payment obligation on the part of the Buyer under any other contract entered into between the Buyer and B.I.

Any payment on account will be allocated against the Buyer's longest outstanding invoices first as determined solely by B.I.

Where the Buyer fails to make any payment by the discretionary date then, without prejudice to any other right or remedy available to B.I., B.I. reserves the right to charge interest on the amount underpaid 4% over Barclays Bank base rate from time to time, calculated on a daily basis, from and including the discretionary date until payment is received in full.

4. Goods in Transit

The Buyer hereby accepts the general conditions of any carrier employed by B.I. Neither B.I. nor any carrier shall be liable for damage or loss of Goods in transit or for shortage on delivery unless notice in writing is given to the carrier concerned and B.I. within 3 days of the date of delivery or in the case of non-delivery or loss of Goods within 14 days from the date of despatch and such other steps are taken by the Buyer (including if necessary shorter notice to the carrier concerned) as may be necessary to preserve the claim against the carrier.

4.2 In cases of Goods damaged or lost in transit to a destination abroad, the provisions of 4.1 shall apply, save that B.I. and the carrier concerned must be notified in writing within 7 days of the date of delivery of Goods or (if lost) within 45 days from the date of despatch

B.I. shall be entitled to use any method of transportation it may select for despatch of the Goods.

B.I. shall provide the Buyer with any documents or certificates necessary to enable the Buyer to accept delivery. The Buyer shall be responsible for unloading and storage of the Goods upon delivery to the specified site. If through the Buyers default delivery may not be accepted without prejudice to any other right or remedy available to B.I. the Buyer shall pay any extra costs incurred by B.I.

The cost of carriage and any packing which at it's sole discretion B.I. deems necessary shall be charged to the Buyer in addition to the price of the Goods.

6. Storage

Where B.I. has notified the Buyer that the Goods are ready for delivery the Buyer shall take delivery or arrange for storage. If the Buyer does not so take delivery or arrange for storage within 7 days of notification, B.I. shall be entitled to invoice and be paid for the Goods as though the goods had been duly delivered in accordance with these instructions and B.I. may arrange storage either at B.I.'s own premises or elsewhere on the Buyers behalf and all charges for storage insurance and demurrage shall be payable by the Buyer.

7. Title Property and Risk

Until title to and the property in Goods passes to the Buyer, the Buyer shall not pledge the goods or documents of title thereto or allow any lieu to arise thereon. The Buyer shall keep the goods separate and identified as the property of B.I. and property stored protected and insured.

Until such time as the title to and property in the Goods passes to the Buyer, B.I. without prejudice to any other right or remedy available to it, shall be entitled at any time to require the Buyer to deliver up the goods to B.I. and, if the buyer fails to do so forthwith to enter upon any premises of the Buyer or any third party where the Goods are stored and repossess the goods.

Risk of loss or of damage to the Goods shall pass to the Buyer.

- (d) The Hirer is responsible for the protection of, and liable for any damage to, any underground, surface or above ground services and utilities including, but not limited to cables, ducts, water pipes and gas lines, and any pavements, bridges, tunnels and roadways on or adjacent to the site and the Hirer shall liaise as necessary and comply with all requirements of the relevant statutory authority or similar body.

The changing of any tyre and repair of punctures are however the responsibility of the Hirer who should arrange for them to be changed / repaired. The Hirer is responsible for all costs incurred in the changing or replacement of any tyre (which must be of an equivalent specification) as approved by the Owner and for the repair of any puncture.
- (d) The Hirer shall be responsible for all expense involved arising from any breakdown, unsatisfactory working of or damage to any part of the Plant due to the Hirer's negligence, misdirection or misuse of the Plant, whether by the Hirer or his servants, and for the payment of hire at the idle time rate as defined in clause 25, during the period the Plant is necessarily idle due to such breakdown, unsatisfactory working or damage. Each item of Plant specified in the Contract is hired as a separate unit and the breakdown or stoppage of one or more units or vehicles (whether the property of the Owner or otherwise) through any cause whatsoever, shall not entitle the Hirer to compensation or allowance for the loss of working time by any other unit or units of Plant working in conjunction therewith, provided that where two or more items of Plant are expressly hired together as a unit, such items shall be deemed to be one unit for the purpose of breakdown.

12. Limitation of Liability

Except for liability on the part of the Owner which is expressly provided for in the Contract (including these clauses):

- (a) the Owner shall have no liability or responsibility for any loss, or damage of whatever nature due to or arising through any cause beyond his reasonable control;
- (b) the Owner shall have no liability or responsibility, whether by way of indemnity or by reason of any breach of the Contract, breach of statutory duty or misrepresentation or by reason of the commission of any tort (including but not limited to negligence) in connection with the hire, for any of the Hirer's loss of profit, loss of use of the Plant or any other asset or facility, loss of production or productivity, loss of contracts with any third party, liabilities of whatever nature to any third party, and / or any other financial or economic loss or indirect or consequential loss or damage of whatever nature; and

- (d) For the avoidance of doubt, nothing in these conditions limits or seeks to exclude the Owner's liability for claims of death or personal injury caused by the Owner's negligence, fraud or for any other liability for which it is not permitted to seek to limit or exclude by operation of law.

13. Hirer's Responsibility for Loss and Damage

- (a) For the avoidance of doubt it is hereby declared and agreed that nothing in this clause affects the operation of clauses 4, 5, 8 and 9 of these conditions.
